STATEMENT ON UNINTENTIONAL ABANDONMENT

Applicant's attorney was using the old nationalization forms and failed to enclose the basic filing fee or authorize the Commissioner to charge his deposit account. This failure was wholly unintentional as Applicant's attorney rarely pays fees to the Patent Office until he has proof of receipt of the application. Applicant's attorney has had many problems with lost checks, lost documents and miss application of funds. Therefore, Applicant's attorney generally does not file with fees until he has some proof that the patent office has received the application. Applicant's attorney was not aware that the nationalization rules required payment of at least the basic fees as no other type of application requires the same.

The Commissioner is authorized to charge any additional fee or credit any overpayments to Deposit Account No. 501518.

Date: March 13, 2006

Respectfully submitted,
